Wybor Air Conditioner

HEAVY DUTY

Powerful cooling even at 52°C

HEAVY DUTY

wybór
Innovation for a better lifestyle

The smart cooling specialist

100% Copper Coil Improved heat exchange

This heavy duty AC comes with a 100% Copper Coil that has excellent heat exchanger design to provide faster cooling.

Ambient Operation up to 52°C

Effectiveness even at higher temperatures

This heavy duty AC has a special design keeping Indian tropical temperatures in mind resulting there is minimum de-rating even at high temperature of 52°C. Now irrespective of any Indian location, this machine is super effective.

Command by voice or APP Internet Over Things (IOT) enabled

This AC can be connected with Amazon Alexa and Google Home and can be controlled from anywhere in the world by your mobile app or by voice command making it super convenient.

Value For Money Energy Efficient Design to save electricity consumption

With comfort convert function, this heavy duty AC can be converted to 1.0 Ton, 1.5 Ton or 2.0 Ton based on the room's population thus making it a very cost effective solution.

Turbo Cool Instant Cooling

Heavy Duty as the name suggest can cool the instantly even when its peak summer time. Just press TURBO key on your remote and see the magic.
